dōTERRA clean

Multi-Purpose Surface Spray

Make your home safer and healthier with this Australian-made, clean formulation surface spray. Consciously created to be gentle on the environment and safe of food surfaces, while being tough at removing residue. Suitable for all surface types.

No nasties!

Harnessing the natural antibacterial power of dōTERRA® Tea Tree and dōTERRA® Lemon Eucalyptus pure CPTC® essential oils, this aromatic spray cleans and sanitises your work areas without the use of phosphates, ammonia, synthetic fragrances or colours.

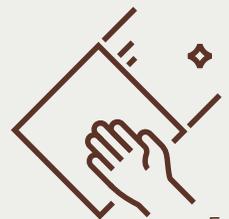

To use

Simply spray and wipe clean with a damp cloth or sponge.

Ingredients

Purified water, Olea Europaea (Olive) leaf extract, Alpha Olefin Sulphonate, Coco Glucoside*, Lemon Eucalyptus essential oil, Tea Tree essential oil, Cinnamon bark extract.

Safe and clean enough to use on a wide variety of surfaces throughout the home.

USAGE IDEAS

Experience the versatility of using plant-based, eco-friendly formulations. With extended uses throughout the range, you'll spend less on cleaning products and worry less about your environmental impact.

Window cleaner

Simply spray on windows and wipe clean with a paper towel or dry cloth.

Floor cleaner

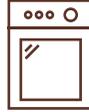

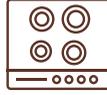

For quick and easy spot floor cleaning, simply spray onto wooden or tiled floors and wipe clean with a damp cloth.

Or, add a dash to a bucket of warm water and mop your floors.

Surface cleaner

Spray on cupboards, vanities, doors and handles and wipe clean with a damp cloth.

Oven cleaner

Combine a few squirts of Multi-Purpose Surface Spray with ½ cup of baking soda in a bowl. Add a small amount of boiling water and stir to create a thick paste.

Apply to stubborn, baked on stains and apply a hot, wet cloth over the top and allow to sit for 5-10 minutes.

Once the baked-on residue is softened, gently scrub the paste and wipe clean with a clean, wet cloth.

Clean and sanitise in a pure and natural way, surrounding yourself with the fresh and invigorating aromas of Mother Nature.

DISHWASHING LIQUID

Concentrate

**Lemon Eucalyptus,
Tea Tree & Cinnamon**

SKU: 60218677

dōTERRA® clean

Dishwashing Liquid Concentrate

A more joyful way to do dishes, this Australian-made, clean formulation dishwashing liquid has been consciously created to be gentle on the environment and your skin, while being tough on greasy pots and pans.

No nasties!

Harnessing the natural antibacterial power of dōTERRA® Tea Tree and dōTERRA® Lemon Eucalyptus pure CPTG® essential oils, this concentrated, naturally aromatic dishwashing liquid is phosphate and ammonia free and contains no synthetic fragrances or colours.

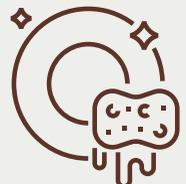

To use

The pure, plant-based and eco-friendly ingredients in this dishwashing liquid are so clean, you can use this concentrate in a multitude of ways around your home - and a little goes a long way. Only 1-2 squirts are needed to wash a sink full of dishes.

Add directly to the sink and fill with water for sparkling clean dishes. You can also apply directly onto a sponge or scourer to tackle stubborn stains.

Ingredients

Purified water, Alpha Olefin Sulphonate, Cocamidopropyl Betaine, Ethanol, Sodium Chloride, Lemon Eucalyptus essential oil, Tea Tree essential oil, Citric Acid, Cinnamon bark extract.

USAGE IDEAS

Experience the versatility of using plant-based, eco-friendly formulations. With extended uses throughout the range, you'll spend less on cleaning products and worry less about your environmental impact.

Shower and glass cleaner

Add 1-2 squirts of dishwashing liquid to a spray bottle and top up with warm water.

Shake well and spray directly on shower walls including glass, handles and tiles. Wipe with a damp cloth or spray down with shower head.

Ring cleaner

Add a small amount of dishwashing liquid to a glass with warm water.

Place jewellery in the glass and soak for 5 minutes. Gently brush jewellery with an old toothbrush and rinse with running water.

Fly Trap

Add 2 drops of dishwashing liquid to a bowl of vinegar and leave near the fruit bowl to attract and trap fruit flies.

The dishwashing liquid acts as a barrier so fruit flies will sink to the bottom of the bowl.

Toy soak

Add 1-2 squirts of dishwashing liquid to a large bucket/sink of warm water.

Submerge toys and gently wash away dirt and grime. Wring out or wipe down toys and dry in direct sunlight.

Rangehood cleaner

Add 1 squirt of dishwashing liquid to 2 cups of warm water in a spray bottle.

Spray the rangehood and surrounding cupboards/stainless steel fittings and wipe clean with a damp cloth.

Featuring a clean formulation, derived from gentle, skin-loving botanical ingredients and infused with pure CPTG® essential oils, this non-toxic Dishwashing Liquid Concentrate infuses the air with the pure aromas of Mother Nature.

LIQUID LAUNDRY

Detergent Concentrate
**Lemon Eucalyptus,
 Tea Tree & Cinnamon**

SKU: 60218678

dōTERRA® clean

Liquid Laundry Detergent Concentrate

Reduce chemical waste and pollution with this Australian-made, clean formulation laundry detergent, consciously created to keep your home, family and the environment healthy and safe.

No nasties!

Harnessing the natural antibacterial power of dōTERRA® Tea Tree and dōTERRA® Lemon Eucalyptus pure CPTG® essential oils, this concentrated formula is tough on stains and gentle on the earth with no phosphates, ammonia, synthetic fragrances or colours.

Reduce your family's toxic load and avoid skin irritants with this natural washing solution, free from synthetic fragrances, bleaches and dyes.

Gentle enough for the whole family, this gentle liquid formulation leaves no harmful residue on your clothing or skin.

To use

Front loader: recommended amount is 30mL (4 caps).

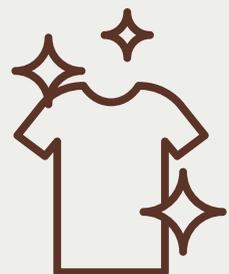

Top loader: recommended amount is 50mL.

Increase dosage for heavily stained loads as required.

Top loaders: Don't pour concentrate directly onto clothing.

Ingredients:

Ingredients: Purified water, Sodium Coco- Sulfate, Decyl Glucoside, Ethanol, Sodium Bicarbonate, Sodium Carbonate, Lemon Eucalyptus essential oil, Tea Tree essential oil, Cinnamon bark extract.

USAGE IDEAS

Experience the versatility of using plant-based eco-friendly formulations. With extended uses throughout the range, you'll spend less on cleaning products and worry less about your environmental impact.

Floor cleaner

Our dōTERRA® clean Liquid Laundry Detergent Concentrate makes the perfect floor cleaner. The cleaning enzymes will quickly get to work on grime and dirt on floors. Plus your home will smell incredible when you're done.

Add just one teaspoon of laundry detergent to a bucket of hot water and start mopping.

Drain cleaner

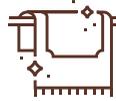

Try shifting the block with dōTERRA® clean Liquid Laundry Detergent Concentrate. Pour 60mL of laundry detergent down your sink, followed by a lot of boiling water – roughly 4.5 litres.

The hot water and detergent should work together to dislodge any clogs and flush them out.

Carpet cleaner

Pour equal parts water and vinegar into the carpet cleaners reservoir and add 2 caps of dōTERRA® clean Liquid Laundry Detergent Concentrate. Clean your carpets using your machine as per usual.

Stain remover

In a spray bottle, mix 3 tablespoons of dōTERRA® clean Liquid Laundry Detergent Concentrate with 2 tablespoons of Borax. Top up the rest of the bottle with distilled water. Shake the bottle well before use. Spray directly onto stains, leave for roughly 10 minutes then blot with a damp towel. Wash in machine if needed.

SKU: 60219424

POWDERED LAUNDRY

Detergent

**Lemon Eucalyptus,
Tea Tree & Cinnamon**

dōTERRA® clean

Powdered Laundry Detergent

Reduce chemical waste and pollution with this Australian-made, clean formulation Powdered Laundry Detergent, consciously created to keep your home, family and the environment safe and healthy.

This gentle formula is tough on stains and kind to the earth with no phosphates, ammonia, synthetic fragrances or colours.

No nasties

dōTERRA® clean Powdered Laundry Detergent harnesses the natural antibacterial and antiseptic power of dōTERRA® Tea Tree and dōTERRA® Lemon Eucalyptus essential oils.

Reduce your family's toxic load and avoid skin irritants with this natural washing solution, free from synthetic fragrances, bleaches and dyes.

Gentle enough for the whole family, this gentle powdered formulation leaves no harmful residue on your clothing or skin.

To use

Front loader: Recommended dosage is 1 scoop.

Top loader: Recommended dosage is 2 scoops.

1 scoop= 25mL increase number of scoops for heavily stained loads as required,

Ingredients

Sodium percarbonate, Sodium carbonate, Sodium bicarbonate, Lemon Eucalyptus essential oil, Tea Tree essential oil, Cinnamon bark extract.

USAGE IDEAS

Experience the versatility of using plant-based eco-friendly formulations. With extended uses throughout the range, you'll spend less on cleaning products and worry less about your environmental impact.

Stain remover paste

Combine 1 scoop of Powdered Laundry Detergent with 1.5 tablespoons of water and stir to make a stain remover paste. Leave on the stain for 30 minutes and wash as normal in the washing machine.

Upholstery/carpet stain remover paste

Apply Powdered Laundry Detergent to stains on carpet and upholstery. Work the detergent gently into the stain with a damp cloth, leave for 10 minutes and brush away any excess detergent. Repeat until stain is removed.

Breathe a little easier knowing that our dōTERRA® clean laundry detergents contain no harsh chemicals that can affect your skin or overall health. Naturally derived botanical ingredients and pure CPTG® essential oils infuse each and every wash, wrapping you in nature's purity.
