# Loyalty Rewards Program

## Earn Free Products of Your Choice

The dōTERRA Loyalty Rewards Program (LRP) provides an automatic monthly shipment of products you use on a regular basis. If your loyalty order contains at least 50 PV,\* you immediately begin to earn product points that can be used as funds to receive free dōTERRA products. The longer you participate, the more points you can earn—up to 30% of your total monthly LRP purchases!

## Loyalty Rewards Program FAQs

### EARN FREE PRODUCT POINTS

LRP BENEFITS: PERCENTAGE BACK IN PRODUCT POINTS FOR FREE PRODUCTS

### How do I get 30% back in free product points?

Your Loyalty Rewards percentage grows over time and begins the first month you place a qualifying 50 PV or more Loyalty Rewards order. You'll increase by 5% every three months when your orders are over 50 PV until you reach the maximum of 30%.

### How do I maximise dōTERRA specials?

Place a Loyalty Reward order of at least 125 PV between the 1st and the 15th (MST). This sets you up to receive the Product of the Month for free and take advantage of promotions.

### How do I create a Loyalty Rewards order?

Log into mydoterra.com. Click "Create a new Loyalty Rewards template" or edit items in an existing Loyalty Rewards template.

PERSONAL VOLUME (PV) MUST EXCEED	1	50	100	125
Maintain LRP points previously earned	●	●	●	●
Earn LRP product points (to use for free products) and increase percentage from 10% to 30%		●	●	●
Qualify to earn commissions			●	●
Receive the free Product of the Month (orders placed between the 1st-15th)				●

\*PV (Personal Volume): This is a numeric value assigned to each product. It's used as the qualifier for commissions, rank, and promotions. Products purchased with points have no PV.

### Will my product points ever expire?

Points expire after 12 months. This is a rolling date from when the points are issued into your account.

### What is the difference between PV and product points?

PV and product points are not the same thing. Each product is assigned PV. This PV is then used each month to qualify for commissions, rank, and promotions among other things. You will earn a certain percent of that PV back as reward product points that can then be redeemed for free product.

### How do I redeem my product points?

In your virtual shopping cart, select "Use Points" on the products you'd like to redeem with your LRP points. New points are added the shortly after commission run the following month (normally runs between 15th-17th MST each month).

### Can I have more than one Loyalty Rewards order?

Yes. If you need more than your monthly order, simply change your LRP template and run it again on whatever day of the month you choose, or you can set up as many Loyalty Rewards template as you like.

### How do I cancel my Loyalty Rewards order?

You can cancel your Loyalty Rewards order anytime via phone, online chat, or email to [australia@doterra.com](mailto:australia@doterra.com) or [newzealand@doterra.com](mailto:newzealand@doterra.com). However, if you wish to cancel all your LRP templates, you need contact Member Service team so that dōTERRA customer service can assist you with redeeming any free product points you've accumulated prior to cancellation so points aren't lost. If you cancel your LRP template, you'll start back at 10% rewards when you resume consistent Loyalty Rewards order purchasing.

### What if I want to return products?

dōTERRA refunds 100% of anything unopened within 30 days of purchase and 90% of the purchase price if opened or used.
